## The U-Can! Man Challenge

I would like the opportunity to share this “Challenge” with people.  
The Challenge consists of five parts:

1. Things you cannot afford to do:
  - a. Take easy classes or the easy way out
  - b. Skip school, pick up bad study or work habits
  - c. Fall to peer pressure
2. Use what you have, drawing on knowledge and experience from:
  - a. Parents
  - b. School Officials
  - c. Supervisors
  - d. Clergy
  - e. Business People
3. Remember the “bruised but not broken” advice:
  - a. When things go wrong (and they sometimes will)
  - b. When mistakes happen (and they sometimes will)
  - c. Your attitude plays a major part in you decisions
  - d. Broken does not always mean final
4. Doubting the Challenge is a tragedy
  - a. Without faith in the Challenge you may be doomed
  - b. Without hope in the Challenge you may be doomed
  - c. Without love of the Challenge you may be doomed
5. Don't be a Challenge dropout
  - a. Don't quit
  - b. Don't drop out
  - c. Don't stop trying
  - d. Because it is the same as dropping out of school or quitting your job. It becomes a part of your life resume.

Always Remember U-CAN!

U-Can! share with others.

## 1 In 4 College Freshmen Need Remedial Classes

One in four first-time freshmen entering the University System of Georgia require remedial classes.

Data released Tuesday at the state Board of Regents meeting shows that more than 14,000 freshmen need help brushing up on math, English and reading before they begin college-level classes.

The numbers are even more startling for two-year colleges: nearly 60 percent of students entering a Georgia community college need remedial classes.

University system officials say the program costs the state's 35 colleges and universities \$22.3 million each year. Needing remedial classes delays students' graduation and makes them much less likely to get a college diploma. The numbers mirror national averages.
